From internationally renowned writer and Booker Prize winner Salman Rushdie, a searing, deeply personal account of enduring a brutal attempt on his life, thirty years after the *fatwa* that was ordered against him.

On the morning of 12 August 2022, Salman Rushdie was standing onstage at the Chautauqua Institution, preparing to give a lecture on the importance of keeping writers safe from harm, when a man wearing black clothes and a black mask rushed down the aisle toward him, wielding a knife.

What followed was a horrific act of violence that shook the literary world and beyond. Now, for the first time, and in unforgettable detail, Rushdie relives the traumatic events of that day and its aftermath.

Knife is Rushdie at the peak of his powers, writing with urgency, with gravity, with unflinching honesty..

SALMAN RUSHDIE is the author of fifteen novels, including *Midnight's Children* (for which he won the Booker Prize and the Best of the Booker), *Shame*, *The Satanic Verses*, *The Moor's Last Sigh* and *Quichotte*, all of which were shortlisted for the Booker Prize; a collection of stories, *East, West*; a memoir, *Joseph Anton*; a work of reportage, *The Jaguar Smile*; and three collections of essays, most recently, *Languages of Truth*.

A wonderful chronicle of a blazingly successful career in the civil services

At the start of his career as sub-collector of Parvathipuram subdivision in north coastal Andhra Pradesh way back in 1974, Subbarao learnt—the hard way—that tribal development requires more than enthusiasm; it requires, most of all, an understanding of poverty. Nearly forty years later, as governor of the RBI in the midst of a fierce exchange rate crisis, Subbarao learnt—once again the hard way—about the harsh challenges of emerging economies in an unequal world.

Just a Mercenary? is the remarkable journey of a small-town boy from a modest background to the top echelons of India's civil service and then on to the helm of the country's central bank

DUVVURI SUBBARAO served as governor of the Reserve Bank of India for five years (2008–13). Prior to that, he was finance secretary to the Government of India (2007–08) and secretary of the Economic Advisory Council to the Prime Minister (2005–07).

A reconsideration of Dr Ambedkar's role in constitution-making

In *The Foresighted Ambedkar*, Anurag Bhaskar argues that India's Constitution was drafted not just between 1946 and 1950 but over the course of four decades. This book seeks to focus on Dr Ambedkar's influence on the Indian constitutional discourse from 1919, when he entered public life, until the actual writing of the Constitution and even beyond.

ANURAG BHASKAR is a legal scholar who pursued LLM from Harvard Law School and BA LLB (Hons) from Dr Ram Manohar Lohiya National Law University, Lucknow. He has also held fellowships at Harvard Law School and the University of Oxford.

A brief history of Indian democracy

As India's democracy reels under a series of near-fatal blows to its foundation, this book looks forward to the moment when democracy will be renewed, and ask what lessons can be learned from past experience to anchor it more firmly when the opportunity arises. While India saw a stark assault on democratic institutions during the Emergency, it was repeatedly punctured both before and after. The country underwent almost four decades of democracy decay since Independence, as compared to three relatively short-lived waves of democracy renewal. That fact makes an examination of the three waves rather significant.

RADHA KUMAR is an academic and author, most recently, of *Paradise at War: A Political History of Kashmir*.

An illuminating account of the spiritual capital of India, Varanasi

A kaleidoscopic view of the city, Varanasi charts a narrative that spans from the city's origins as Kashi to the fin de siècle spiritual capital of the tenth, eighteenth and nineteenth centuries to present-day Banaras. It assesses the city's inclusionary development and looks at it as a cultural and pilgrimage centre, an opulent trading hub and a basilica of political power. Weaving facts and interesting anecdotes to make a rich tapestry, this book is an unparalleled portrait of the city.

The second in the Descendants series, this is a gripping thriller that ties mythology and the modern

It has been two years after the black element was been discovered; two years since Jay disappeared, believed dead. The revelations continue for the Somvanshis, as they deal with the changes that the black element has caused in their bodies. As Karan makes discoveries that shake him to his core, Shantanu Somvanshi finds the key that he has been waiting for in the shape of a young, strong-minded girl. *The Ancestors* takes the reader on a whirlwind ride with twists and turns that will shock.

LAKSH MAHESHWARI is a storyteller by profession and is renowned for his ability to take audiences on beautiful journeys of emotions. He is famously known as 'Single-handedly' on Instagram and YouTube.

ASHISH KAVI is a seasoned marketing professional with a passion for music and writing.

An exciting new series from the bestselling author of *The Hidden Hindu*

Our ancestors created the Naga sadhus, a clan of warriors, for the protection of Dharma.

In the year 1757, 111 Naga sadhus borrowed the majestic weapons of the idols of their gods. Fueled by their belief in Lord Shiva, they stood as an indestructible wall, led by Ajaa, a fearless Naga warrior, against the Afghan army of 4000 men, 200 horses and 100 camels and 20 cannons. The brutal Afghans were led by Sardar Khan, the most ruthless commander of Emperor Ahmed Shah Abdali, ill-famed for the demolition of temples and building a history of genocide in Bharat.

The fight continues. This is the clash of Shiva devotees against the devils that lie under men's skin. This is the Battle of Gokul.

AKSHAT GUPTA is a writer and lyricist who runs a chain of restaurants. He's the author of *The Hidden Hindu*, published by Penguin Random House India.

Rana Safvi's new historical fiction set in the tense build-up to the 1857 uprising, *Firestorm in Paradise* takes readers back in time to the last days of Shahjahanabad

Before the 1857 Uprising of India, the old Delhi, or Shahjahanabad is sprawling with life—like an ode wavering towards its end. At the centre of this sprawling narrative is a princess, Falak Ara, daughter of the Emperor. Beautiful and vivacious, Falak Ara is curious about the world outside the fort but never imagines being able to leave. Soon, she loses her heart to a *salatin*—a prince— and longs for a union with him. Her quest is made difficult by a changing Shahjahanabad, on whose horizon lurks a revolution.

Author Rana Safvi unspools the aches of a young heart as she pays homage to Old Delhi—which, like a living, breathing being, has many moods and survives a lifetime in this novel

A Firestorm in Paradise.

RANA SAFVI is a prominent and bestselling writer, scholar and translator deeply committed to India's rich cultural heritage and diverse civilizational legacy. With a remarkable portfolio, she has authored ten books that delve into topics ranging from culture and history to the monuments of India. Notable titles among her works include *Tales from the Quran and Hadith*; *The Delhi Trilogy*; *A Saint, A Folk Tale and Other Stories*; and *In Search of The Divine: Living Histories of Sufism in India*.

An edge-of-the-seat thriller featuring a broken friendship, religious fanaticism and conspiracy

When sub-inspector Waqas Akram is posted at a dusty, sizzling Punjab town where a Hindu art teacher has been recently lynched on the accusation of blasphemy against Islam, he has already decided to quit police service following a not-so-great career. So, when he is assigned the case of the suicide of a seventeen-year-old boy, Waqas is tempted to accept the obvious and close the case. The ominous presence of a religious outfit around the boy's house is another reason to stay away.

Waqas realizes there's more to the case when the boy's friend reaches out claiming it was no suicide and that the case is linked to the Hindu teacher's lynching. Waqas is intrigued as childhood memories of another lynching return to him. From witnesses' statements, he pieces together accounts of friendships that transcended religions before they were ruined by betrayal, conspiracy and religious fanaticism. Will Waqas succumb to the terror of religious bigots, or will he uphold justice in a society which badly needs it?

SOHAIL AHMED who writes by the pen name of Sohail Rauf, is a PhD in electrical engineering and works for an engineering firm. Originally from Pakistan, he lives near Houston, Texas, with his wife and two children. Blasphemy is his first novel.

The *White Lotus* meets *Knives Out* meets *Crazy Rich Asians* in this devilishly entertaining debut novel

Ro Krishna decides it's time to check in for some much-needed R&R at Samsara, a spa for the cosmopolitan elite nestled in the foothills of the Himalayas. While a person could be spiritually reborn in a place like this, a person could also die here. 'Samsara' is the Sanskrit word for the karmic cycle of death and rebirth, after all. As the death toll rises, Ro becomes embroiled in a vicious world within a gilded surface, where nothing is quite what it seems.

RAM MURALI was born in New York. This is his first novel.

Inspired by historical events of the last millennium, the book is a breathtaking adventure into real history, geography, religion, politics and symbols

When she receives a desperate plea for help, Pia Jani is pulled into a breathless adventure along with her childhood friend Aditya Narain that will hurtle them into a 1000-year-old mystery that has left a trail of deaths. The duo must unravel the baffling clues left by a secret cult to unearth the truth of what happened in AD 1026, when Mahmud of Ghazni marched to plunder Somnath, and what really happened to the treasure worth billions that he reportedly looted. If they fail, the truth will be lost forever. Pursued by a faceless, merciless adversary who shadows their every move, they must do it with speed and stealth.

PRIYANKA PATHAK NARAIN has two decades of expertise in investigations and writing about religion, symbolism, and mythology. Her reportage for BBC, *New York Times*, *Times of India* and *Mint* has won global awards.
