PENGUIN SELECT EARLY  
LEARNING PROGRAM

**Penguin Select** is a spotlight under which early learning, classics, global literature, fiction and non-fiction, bestselling book from different countries, and work of translation find a place to shine. It aims to bring the most diverse and stimulating reading experience to the penguin arsenal.

**Penguin Select Early Learning Program** is focused on aiding curriculum learning through a comprehensive range of children's books. These books are carefully crafted to suit the developmental needs of all children, from infants and toddlers to pre-schoolers, ensuring engaging and age-appropriate content.

The content aims to help children develop crucial cognitive abilities like problem-solving, critical thinking, and creativity, while instilling in them a love for reading. The program also promotes social and emotional development in young minds. These books also become a tool for parent-child bonding when they read together.

The list offers picture books, story books, coloring books, activity books, workbooks, reference books and other innovative titles. These informative and beautifully laid out books endeavour to combine education and constructive entertainment; aiming to lay a solid foundation for a lifetime of learning.
